

Certificate of Compliance Guideline

Through the process described below, the City Commission of Seneca Gardens grants “Certificates of Compliance” to homeowners making alterations and/or additions to their properties. The City of Seneca Gardens is on record with the Louisville Metro Planning and Zoning Office. Therefore, a “Certificate of Compliance” must be obtained prior to an application for a building permit from Louisville Metro.

The following is a checklist of required items to be submitted for a “Certificate of Compliance.”

_____ Completed application for a “Certificate of Compliance

_____ Permit fee of \$750 (check to be made out to “Seneca Gardens”)

_____ Photos of all sides of the house

_____ Architectural Drawings

- One (1) electronic format (PDF) or Two (2) paper copies of architectural drawings prepared by a professional draftsman or Architect. The following drawings shall include at a minimum;

- Plans of all floors that will be affected and proposed at a scale of $\frac{1}{4}''=1'-0''$
 - o Indicate or depict existing vs. new
- Exterior Elevations of all sides of addition or remodel indicating existing versus new/proposed at a scale of $\frac{1}{4}''=1'-0''$
 - o Indicate proposed materials
 - o Roof pitch
 - o Window sizes
- Wall section/detail(s)
 - o Indicate proposed materials
 - o Roof pitch
 - o Heights of structure

_____ Plat of Survey (*required only if footprint of building is changing, or additional structures added to property*)

- Plat of Survey to scale on paper no less than $8\frac{1}{2}'' \times 11''$ that includes the following, including dimensions of all elements

- | | |
|---------------------------------------|---|
| - Entire lot outline | - Proposed structures |
| - Front, Rear, and Side yard setbacks | - Distances between structures |
| - Any and all easements | - Distances from structures to property lines |
| - Existing structures | |

All drawings must be clear and concise, showing all aspects of the finished work. For guidance, please see the set of desired drawings that are attached hereto as an exhibit. The City of Seneca Gardens reserves the right to refuse drawings that do not adequately show the clearly defined and intended result. We encourage homeowners and/or contractors to contact the City Engineer with any questions.

Upon submittal of all required information, the Commission and the City Architect will review the material and notify the applicant of their decision within one (1) week of the date received.

Application for Certificate of Compliance

City Engineer, Director of Building
2319 Broadmeade Road
Seneca Gardens, KY 40205
